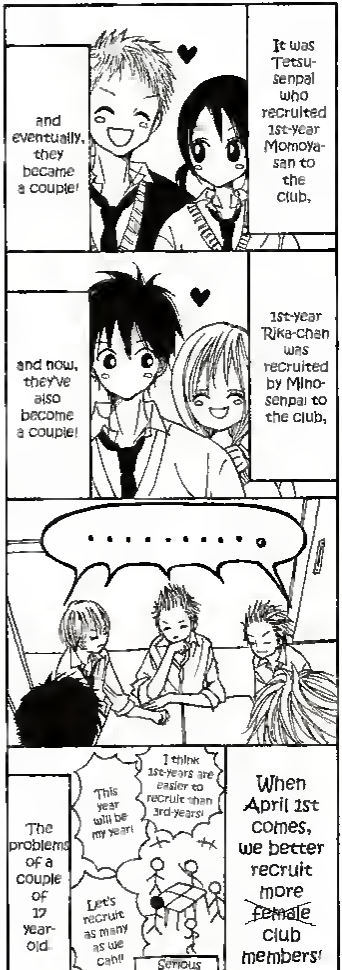
April. Mino has successfully entered university.
You're so pretty Adi senpai!
Mino, you know her, right?
It seems like he just started to go out with Rika.
Even though it feels kinda lonely, it's nice to see my fellow lower-classmates get together.
Mino-senpai!
I'm here!!
I will surely watch over them from now on.
Ma n gene...
Cute uniform!
Introduce her to us!!
Whoa! Mino, your girlfriend is a high-school student!
うらやましい!!
The problems of a 19 year-old
You're only 16 years old!!
The uniform's really cute!!
But
No! I'm not mad, not mad...
If I try to take Mino away, it's not too cruel, right?

New 3rd Year Members



It was Tetsu-senpai who recruited 1st-year Momoya-san to the club.
and eventually, they became a couple!
1st-year Rika-chan was recruited by Mino-senpai to the club.
and now, they've also become a couple!
The problems of a couple of 19 year-old
This year will be my year!
I think 1st-years are easier to recruit than 3rd-years!
Let's recruit as many as we can!!
Serious Discussion
When April 1st comes, we better recruit more ~~female~~ club members!

Now I understand the power of a uniform when I don't need to wear one.
